

L-W Plans Step-Up Day

This Saturday, May 2, Lincoln-Way high school will hold its tenth annual Step-Up Day program for all incoming freshmen students.

Lincoln-Way buses will transport the new students, following their regular routes and time schedules. All new students are asked

to check with a L-W student that lives near them for time and place of pick-up. The program will begin at 8:10 a.m., and end at approximately 11:00 a.m.

Designed by the Student Council, purposes of the Step-Up Day program are:

(1) Outline the basic rules

and facts about bus transportation and arrange conflicts in bus routes for new students.

(2) Distribute health records.

(3) Coaches and P.E. teachers outline their programs.

(4) Opportunity to meet some of their teachers and discuss the subjects.

(5) Tour of the building.

(6) Learn about the student service organization.

(7) Answer any questions the new students may have about Lincoln-Way.

All new freshmen will meet first in the gymnasium for a mixer, and then will assemble in the auditorium for the general meeting with the administration.

STUDENT COUNCIL members were busy planning their part in the Step-Up day program at Lincoln-Way high school Saturday, May 2. Left to right, Bonnie Fredin, Dennis Pfeifer, president, Irene Geuther and Barbara White. (L-W photo)

VFW & Aux. Sponsor Patriotic Assembly

Michael J. Howlett, state auditor of public accounts, will be the featured speaker at a national Law Day and VFW Loyalty Day program tomorrow, May 1, in Lincoln-Way high school.

VFW Post No. 9545 and its Woman's auxiliary are sponsoring the program. Harold L. Dailey, Americanism chairman, said Howlett will speak about "The Old-Fashioned Virtue of Patriotism and Its Significance in the Current World Crisis."

"Auditor Howlett is a

father of six children, who has been active in youth work thruout most of his career," said Dailey. "He is a navy veteran of World War II, active in veterans' groups, and well qualified to lead out program with an inspiring talk."

Dailey said the entire student body and faculty of Lincoln-Way will hear the program at 10 a.m. and it will be broadcast direct from the school by radio over Joliet station WJRC.

Records Mix-Up Holds Up Sweepstakes Award

"Superior" performances are getting to be habit with the four musical organizations at Lincoln-Way. For the third straight year, the mixed chorus, band, girl's glee club, and boy's chorus have been rated as "superior" in the state final Class "A" music contest.

The "Sweepstakes" standings still unknown at this time, because of a mix-up in the solo and ensemble contest records, but Urbana, Ottawa, and Lincoln-Way were leading, and one of the three eventually will be declared the winner. Lincoln-Way has won the "Sweepstakes" trophy for the past two years.

The four organizations'

combined efforts in the solo and ensemble contest March 14 netted a total of 142 points. They added 72 points on April 18 in the organization contest for a grand total of 214 "Sweepstakes" points.

The mixed chorus and boy's chorus are directed by Tom Olson, the girls' glee club by Richard Johns, and the Band by Robert C. Taylor.

The vocal and instrumental sections of the Lincoln-Way music department will present separate spring concerts this year. The band will give its concert Friday evening, May 8, and the choruses will follow with their concert the night of May 22.

Fred Lehmann Is Recovering From Surgery

Fred Lehmann, executive secretary of the Mokena Chamber of Commerce and the Mokena Lions club is recovering from surgery in the Oak Park hospital, at Oak Park. He was operated last Friday and is reported as progressing quite satisfactorily.

Mr. Lehmann is in Room 360.

Hold Funeral Services For Mokena Man

Albert L. Strassenberg, 81, died Monday, April 27 in a South Holland nursing home after a long illness. He resided at 191st st. and 80th ave., Mokena.

He was born June 10, in Chicago, but lived most of his life in this area. He was a retired farmer.

Survived by his wife Golda; one daughter, Mrs. Irma Winker of Frankfort; three sons, Hilbert and Howard of Mokena; Norman of Mokena; one sister, Rosie Schoeneck of New Lenox; one brother Edward of Mokena; 11 grandchildren and 7 great-grandchildren.

His first wife Bertha, died in 1940.

Funeral services were conducted from Hirsch funeral home, Tinley Park to St. John's United Church of Christ in Mokena on Wednesday, April 29.

WELCOMES PARENTS

Two hundred and twenty parents of incoming freshmen attended the annual Lincoln-Way Parent-Teacher conferences. This represents approximately 80% of all incoming freshmen. After the general session parents conferred with individual teachers who interpreted the test scores and reviewed their sons/daughters' program for the coming year.

Suspends Proposal Of Arbury Utilities Co.

(CNS) - The Illinois commerce commission has suspended a proposal by Arbury Utilities Co., Inc., Mokena, to increase water and sewer rates to users in Arbury Hills subdivision, Will county.

(What is meant by "suspended proposal" is that pending final disposition of the case by the ICC the old rates will continue in force for Arbury Hills water and sewer users.)

The proposal called for increase in monthly water rates from a minimum of

\$3.40 to \$5.20.

Included are the following increases: For first 4,000 gallons 85¢ to \$1.30 per 1,000 gallons; next 4,000 gallons, 60¢ to \$1.05 per 1,000 gallons; next 12,000 gallons, 45¢ to 75¢ per 1,000 gallons; and over 40,000 gallons, from 45¢ to 50¢ per 1,000 gallons.

Monthly sewer rates would go to \$4.75 from the present \$1 per month for users of up to 4,000 gallons of water and \$2 for users in excess of 4,000 gallons.

Albert Hellmuth Dies At Home; Rites Today

Albert Hellmuth, 84, of 19722 Wolf rd., Mokena, died at his home shortly after 6 o'clock Tuesday morning (April 28) following an apparent heart attack. An inhalator crew from the Mokena volunteer fire department was unable to revive him.

Born in Germany Mr. Hellmuth had been a resident of Mokena for the past 50 years. He was an upholsterer by trade and had worked as such but he also was a former rail worker and was a member of the Brotherhood of Railway Car Men, Local 297.

His wife, Elizabeth, died in June, 1963.

Surviving are five daughters, Mrs. Esther Scherer and Mrs. Alma Agazzi, of Joliet; Mrs. Elsie Walsh and Mrs. Lillian Heim, Mokena; Mrs. Hulda Schmitz, of Chicago. Also surviving are a son, Kurt, of Chicago, 12 grandchildren and one great-grandchild.

Removal was to the Hirsch chapel at Tinley Park. Funeral services were to be conducted at 2 o'clock this afternoon from the Immanuel

Lutheran church, Mokena, with the Rev. Dr. A. J. Buelman officiating. Interment will be in the church cemetery.

Adjust Postal Service For Mokena Area

Limited adjustments in some postal services ordered in Washington, D.C. March 10, by Postmaster General John A. Gromanski will take effect in Mokena and other cities on May 4, it was announced by Mrs. Margaret O'Brien, postmaster.

Week day hours will remain the same. On Saturday, effective May 9, limited window service will be provided from 8 a.m. to noon.

Service window will be open for patrons mailing of parcel post, purchase of stamps, acceptance of registered mail and delivery of C.O.D. mail.

No service will be provided for issuance of money orders on Saturdays.

Win Honors In Band Contest

Fifteen soloists and one quartet representing Mokena grade and St. Mary's school bands were winners at the state band contest held at the Ridgewood high school, Norridge.

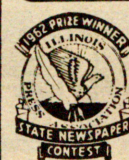

Those receiving first place ratings are: David Bills, French horn; Mark Ebert, saxophone; John Shilling, cornet; Roger Sippel, tuba, all of the public school and Joyce Stevens, flute, of St. Mary's.

The clarinet quartet which also won first place is from the public school and comprised of Carl Hansen, Barbara Richardson, Kenny Warning and Leslie Raske.

There were ten second place winners: Rick Book, saxophone; Tom Gilbert and Jackie Hansen, clarinet; Gary Horras, cornet; Rick Johns, trombone; John Mannell, baritone; Barbara McCauley, Janet Richardson and Bonnie Wallschlaeger, flute all of the public school and Susan Paska, cornet of St. Mary's.

Beautiful
new proof...
Ford's
the only car
that's changed
as much
as Chicago!

Mr. and Mrs. Frederick Field, LaGrange Park—"What interests us are the many options you can get for a Mustang. You can outfit it just about any way you want. We like the European look of the car. And where else can you find a low price like this?"

Mrs. Helyne Mann, Wilmette—"I go for this one. It's beautiful—nice styling and rich interior. I'll tell you something else, too. The Mustang would be a delightful first car or second car."

Norm Spaulding, Well-Known Radio Personality, Station WAAF—"I'm going to buy a Mustang. It's a clean, modern car. Mustang looks like it has power to go—and it does. Also, I need a true 4-seater because I have two boys. I'm sold on this car."

Mrs. John Patterson, LaGrange Park—"Most sporty cars don't have enough room. This Mustang does. It's easy to get in and out of. The styling is just beautiful. And—very important—the price is just right."

NEW FORD MUSTANG

See it today at your Chicagoland Ford Dealer's. Look it over closely — only the great European road cars have Mustang's style, fire and flavor.

Look at Mustang's price tag. You'll find it hard to believe a car that looks as good as this could cost so little (Mustang is less expensive than many conventional American cars). Yet that low price delivers a fully equipped 4-passenger Mustang, complete with a spacious trunk and

luxury features that are usually extra-cost options on most other cars, such as deep foam bucket seats, wall-to-wall carpeting, sports steering wheel, full wheel covers and many others.

Look how practical it is. The Mustang was designed to be designed by you. There are convenience options, such as power steering, power brakes, Cruise-O-Matic transmission and push-button radio. There are luxury options to satisfy

your taste for elegance, such as air conditioning, between-the-seats console, a vinyl roof covering for the hardtop and a power-operated top for the convertible. And if you are performance-minded, you can choose a 289-cu. in. V-8, 4-speed manual transmission and Rally Pac (tachometer and clock).

Stop by at your Ford Dealer's soon and see the Mustang Hardtop, the Hardtop with vinyl-covered roof, and the Convertible.

We Need Industry

Officials of area communities, together with representatives of their chambers of commerce and civic groups have been invited to a meeting in the Lincoln-Way high school auditorium scheduled for 7:30 p.m. Monday, May 11.

Lincoln-Way high school is located on U. S. 30, east of New Lenox.

The meeting will be concerned with ways for communities to attract industry, and was arranged thru the development division of the Northern Illinois Gas Co. Charts and pictures will be shown to emphasize certain points.

It is expected that this meeting will attract all those interested in the development of the area. At a meeting held several months ago at Lincoln-Way high school Dr. Harold Mayer, noted geographer from the University of Chicago and with a wealth of experience in community planning, predicted a tremendous population increase for the southwest suburbs, especially in this area.

He advised those communities that have not adopted plans to guide their future growth to do so as soon as possible and those with plans to have them brought up to date.

One of the objectives of these communities today is to balance land use so all of the tax load does not rest on homeowners. Industry--light industry in this area--and business firms are a vital part of any community. They not only carry a part of the tax load but also provide employment.

Unless these suburban communities gain industry and commercial enterprises they will become mere dormitory towns.

How to attract industry is a problem. There are many more towns that want industry than there are industries available.

There are many factors that enter into selection of a site for industry. John Sticklen, head of the development division of NI-Gas will expound on these points at the meeting May 11.

Selling a community to industrial locators is a job for everyone in the community. We do not believe that many companies expect to be provided with a free site and a moratorium on taxes for several years as an incentive to move into a locality. We do not think that a firm that would make such demands would be much good to a community either. Greed on either or both sides can be a stumbling block to prosperity.

The planners advocate that the leaders of a community reach a decision first as to what they wish to accomplish before employing professional plan people. Planners can't tell a community what it wants, Dr. Mayer pointed out, they can only help a community reach its goals after first setting them up.

At Orland Park a citizens committee, which includes representatives of the village board, is now engaged in making a survey of all the land in that area and the uses to which it is now put. This is preliminary to making plans for development of that locality, including the attraction of industry.

Orland Park, like Mokena and Frankfort adopted a master plan some years ago. Citizens interested in the progress of the area are making studies now to determine what is needed to update these plans. New Lenox has no plan but members of the village board and the plan commission are seeking to stir action on the subject.

Cities and villages unprepared for the coming influx of population and who fail to guide this certain growth along proper channels are in for a lot of trouble, planners warn.

To arrive at a plan and to carry it thru is a community responsibility and by that we mean that everyone has a stake in the venture and everyone should be willing to do his or her part bring it to a successful conclusion.

BUSINESS & FINANCE

BY MAURICE ANGLAND

The so-called "odd lot" theory as to predicting a rising market or falling market, on the basis of predominant buying or selling in less than 100 share lots, has been revered by some market analysts. The theory is based on the belief that the less than 100 share (round lot) buyer, is generally wrong in that he should be selling when he is buying and vice versa.

An excess of odd lot sales over odd lot purchases, to many analysts, has meant a

likely rising market and an excess of purchases, a declining market.

After the heavy market of May, 1962, odd lot sales have exceeded purchases and the percentage of odd lot trading to total trading volume on the New York Stock Exchange, declined substantially and, indicated lack of public interest. During this period, the Dow Jones Industrial Index advanced to new highs.

The Wall Street Journal has been commenting on this change in trading interest as have many students of stock market action.

Many analysts note that the average dollar amount of the less than 100 share purchases, is greater and analysts express belief that the average odd lot buyer is purchasing higher grade securities on average.

This change from selling to buying side of the market is very small on a percentage basis. Some analysts of well known firms, express opinion that the figures, however, indicate a growing public interest in the market.

The U.S. News & World Report states that business activity is continuing to advance at a good rate and with a strong use in profit picture. This magazine uses an in-

dustrial index composed of steel production, auto production, electric power production, paperboard production, bituminous coal production, crude petroleum production, and miscellaneous freight car loadings.

All seven measures of activity rose during the latest week and were higher than previous month.

Paper board was especially strong and set a record high. This commodity, so important in packaging, has long been considered as an especially good index of general business.

The survey states that total corporate profits rose sharply in the first quarter of 1964 as shown by combined results for 184 firms.

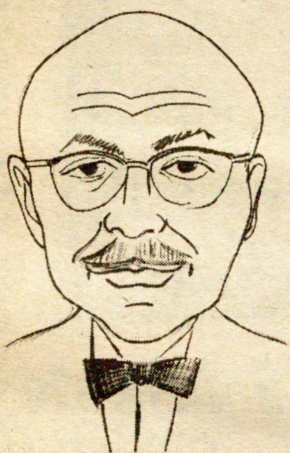

The present rate of business is called the longest period of such good business conditions in our history. Many analysts believe our business activity will not decline until well after election and into 1965. Belief is expressed that autos cannot come up with four record years in a row.

Some of our political figures state that if business declines, the control of money policies will be shifted to the White House with control of Federal Reserve Board changing with new federal administration.

appendectomy scar to do chest surgery. One thing about that--the surgeon would have to have a mighty long arm.

It doesn't seem to us that there is much future for dealing in old scars. Of course, the final word on the subject could only come after submitting all the data to a computer. Such a step probably would cost a lot of money because maybe a special computer would have to be built but we feel sure that some federal government agency would be only too glad to pick up the tab. Anyway, the idea is just as sensible as some of the things government agencies spend money on, especially in the foreign aid field.

NO DOUBT man in the not too distant future will not have to think about surgical scars. Medical science will have progressed to such a state that surgery will be done with mirrors, lights or a machine. Or it is possible that at birth a stretch type of zipper will be installed that will expand with growth. So when something goes wrong all one would have to do is call a doctor, who in turn would determine what repairs were necessary, and leave the rest of it to a surgeon or a service man, depending upon whether the parts involved were natural or manufactured.

ON 2nd THOT

By Glenn Logan

EVERY ONCE AND A WHILE one sees something in the public prints that bolsters his faith in the dictum that you can never tell what people will think of next.

This being the space age, naturally, one may expect to read or hear any number of theories regarding travel and life among the planets. In fact one encounters so much of this thing that he doesn't pay much attention to it.

And anyone in this business for any length of time is bound to have read a lot of fillers. Fillers, perhaps it should be explained, are those odd lines of type one finds tucked here and there in newspapers to fill what would have been a hole at the end of a column, whether it is at the end of a page or where it meets an ad. Leaving white space is one of the things just not done. Hence these one, two, three or maybe five or six line fillers. One can pick up a lot of information about the flora and fauna of the world, as well as geography and history by reading fillers but it can be hard on the eyes, if they are printed in agate, which is a short word for that little type.

ONE SEES some strange things in fillers but nothing stranger than a question which appeared recently in a health column. The questioner wanted to know if a surgeon removing a gall bladder could do the job by making the incision in an old appendectomy scar.

The person writing the health expert column does not explain anything. The reader is thus left puzzled.

Frugality is a virtue, one may say to himself but isn't this carrying things too far? Must one use up the old incisions before making a new one? We don't have any idea where this person is from or who does her doctoring but we are willing to wager a small sum that no doctor is going to cut anything off the fee just because he follows an old cut in opening up a patient.

It is possible that the person asking the question is superstitious. You've seen athletes that insist on wearing some special garment--usually soiled and of disreputable appearance--because they were wearing that when they had had an unusually good day in their sport. They figure it is lucky and the luck will stay with them as long as they wear it. Perhaps this person figures they were lucky with the appendectomy so why not use the same opening again.

THE HEALTH EXPERT apparently assumed that the writer was a woman and a muscle dancer or a bikini addict violently opposed to disfiguring the abdominal section with surgical scars. It also can be assumed that she is good looking and finds it unnecessary to utilize such scars as conversation pieces.

The conductor of the health column didn't say in so many words that getting a gall bladder out thru the same opening required to remove an appendix would be like trying to push an inflated football thru a knothole in a fence but he did say it would take a lot of doing.

Your correspondent is qualified to testify that when a surgical team went in for my gall bladder they make quite an opening. One of them was the owner of a sport car and for all I know he may have driven it right on in. It is true that I didn't see any tire tracks on my person afterwards but the incision was big enough to have accommodated such a vehicle.

WHEN YOU GET right down to it the question of using an old appendix opening in a gall bladder operation is rather ridiculous. How do they suppose a doctor is going to crawl thru a buttonhole incision and take his tools with him? A pick and shovel, a bolt cutter, a series of pipe wrenches and a blowtorch are not small tools. A wide entryway is needed to get them in and out without banging them against the edges. One can scratch tools doing that.

It is only a few steps from the appendix to the gall bladder but imagine if someone insisted opening up an

WE GIVE PLAID STAMPS

Now that the official canvass of the April 14th primary election has been completed, I would like to thank all the people who supported my candidacy of the office of State's Attorney. Receiving the nomination for public office imposes upon a candidate the responsibility of informing the public of the issues, the duty of taking a firm stand on these issues, and the task of waging a vigorous campaign on behalf of his party and himself. I wholeheartedly accept the responsibility, duty, and task. Your continued support will help me in my fight to restore dignity to the office of State's Attorney and to give all the people of Will County the legal representation which they deserve.

Soft

Tips For The Young Golfer

BY COACH RICHARD FINLEY
CARL SANDBURG HIGH SCHOOL

One of the fabulous assets of golf is that it can be played and enjoyed by all age groups, both young and old alike. One of the advantages of participation in golf by a young boy or girl while in grade school or high school is that they may continue to play after this competitive period. Naturally, all of us like to do well in anything we do, and the same is true when

we play golf. There are several basic things we can suggest to improve your game and enjoyment on the course.

EQUIPMENT

It isn't necessary to have new equipment, but it is important to have the right

equipment. Make sure your clubs are of the proper length. If they are too long or too short, you will develop an improper swing that will take hours to correct. Go to your course club shop or to an equipped sporting goods store and get measured as to the proper length clubs.

Use a bag this is just large enough to hold your clubs and one that is easy to carry. Don't buy one that is large enough to carry the kitchen sink in, it serves no purpose and can cause fatigue on the course. Don't fill your bag with too many clubs either, carry only the ones you need. For example, most of today's touring pros leave the 2-wood in the closet.

Now buy a bag of tees and a few tough-skinned balls and you're ready to go.

PREPARATION BEFORE PLAYING

Before you go onto the course, there are a few things with which you should acquaint yourself.

1. Know the rules of golf. As in any other sport, the knowledge will help your game.

2. Work on your game by practicing on the practice tee and on the practice green. When doing this, constantly check your grip, stance and swing. Most poor shots in golf are caused by a bad grip, stance, or swing. Practice is one of the keys to golfing success. Two hours on the practice tee and practice green will do your game more good than playing 36 holes of golf. All of our better varsity golfers spend several hours each week on the practice area.

3. Watch the adults and try to do what they do. Most of them can show you the

Form Willow Run Ladies Golf Group

Twenty women from the Mokena and New Lenox area met Thursday, April 23 at a luncheon meeting at Willow Run Country Club to organize The Willow Run Women's Golf Club. Margaret Lenz, who has been affiliated with the Beverly Hills Country Club for the past 40 years and one of the directors of the Women's Western Golf Assn. for 29 years spoke to the group and offered to help with the forming of this new organization.

Officers elected were: chairman, Bea Olson; treasurer, Betty Nelson; handicap chairman, Charmaine Sondergaard; rules chairman, Margaret Lenz; and publicity chairman, Toot Muehler.

The women will play every

Thursday starting May 7. There will be no set time for teeing off, however, everyone must be out by 12 noon.

Any woman in the area interested in golfing or beginners wishing to learn the game are invited to join the club. Phone Toot Muehler at Mokena 479-3931 for registration or information. Free lessons are being offered at Willow Run by Tom Geary, Club Pro, beginning May 5. Beginners need only an interest in golf to get started.

PGA Tour Richest In History

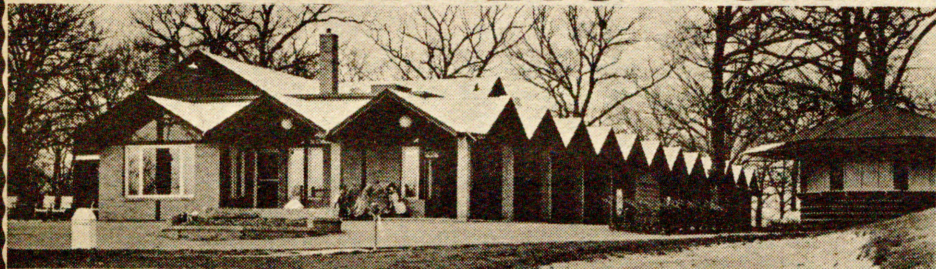

The richest tournament in golf history and the most lucrative month ever on Tour highlight the 1964 PGA Spring and Summer schedule.

The Carling World Open, newest addition to the Tour, has a record-breaking purse of \$200,000. It will be held Aug. 27-30.

In the five weeks from June 4 through July 5, touring professionals will shoot for a total of \$470,000. Never before has so much money been on the line in so short a period of time.

One of the tournaments to be held during those weeks is the \$125,000 Whitemarsh Open Invitational. Held in October last year, the Philadelphia tournament has been moved to July 2-5, the Independence Day week end.

Rolling Hills

Silver Lake Adds New Short 9-Hole Course

Rolling Hills, a new nine hole short course was opened in August of 1963.

The new nine, also located at 147th and 82nd ave., will increase the Silver Lake golfing facilities to 45 holes. At present, two full-length 18 hole courses are in operation.

The Rolling Hills course, which measures 1,600 yards and plays to a par 29, seven par three holes and two par four holes, is laid out on hilly, rolling terrain which makes each hole almost a separate entity. Elevated

tees, elevated greens, trees, sand traps and water, combined with the natural growth of shrubs and bushes, make an ideal and picturesque setting for the course.

Placements on the large greens, which each measure at least 8,500 square feet, and the large tees can be moved about to drastically alter each hole. The premium will be on accurate play, not just reaching the greens. The large, rolling greens will leave the player in danger of three putting unless his tee shot or ap-

proach shot is put close to the flag.

The decision to build the course was influenced by several factors: the increasing interest in the game of golf and the corresponding increase in players; the shortage of land that can be used in building golf courses; the increase in the amount of leisure time for many persons; the overcrowding on existing golf courses; and the desire to provide the golfer who has a minimum of time and opportunity to play.

ROLLING HILLS - The trees are still bare but golf carts grace the greens as golfers take advantage of the new nine hole short course recently completed at Silver

Lake Country club, Orland Park. Silver Lake now boasts golfing facilities for 45 holes, including the two full length 18 hole courses.

Coach's Tip Getting Started

By Ed Hill, Golf Coach, Lockport Township High School.

Golf, fast becoming the most popular participation and spectator sport, is also one of the fastest-growing high school sports in the country. Biggest reason for its popularity is the great carry-over value it offers to the youngster of grade or high school age of both sexes. There are no physical requirements for golf, as in other sports, that limit participation to certain age groups. In this age of softening flesh, parents would do well to help their youngsters get started in golf. Other benefits derived from golf are the clean wholesome environment the player participates in, the companionship and people one meets, and the self-discipline one develops along with his game. In some thirty years of golfing I have never seen a boy go WRONG or BAD at the golf course.

Parents who are interested in starting their youngsters in golf should do so when they are young. The longer one waits to start this game, the less chance there is of succeeding. This is probably true of all sports but to a greater degree in golf because of the complexity of the game. It is not uncommon anymore to see children of 8 or 9 on the golf course with their parents. Arnold Palmer, one of the greatest all time golfers started golfing at a very early age. Needless to say, all youngsters aren't Palmers and all aren't going to be competitive golfers. None the less, much of the satisfaction derived from the game by golfers comes from the fact that they can compete in an athletic contest at an advanced age.

Another important feature of starting golf young is the need for proper instruction. Good fundamental instruction is well worth

the money spent at this stage of the game. The early starting age is meaningless if the youngster is not properly grounded in fundamentals, and may actually do tremendous harm to one's game. Enough so that sometimes youngsters lose interest and give up the game. A trip to the local golf pro for instruction consisting of three or four lessons spaced a week or so apart will help insure, success at the start. One of the greatest hindrances to a youngster's game can be unsolicited advice from many sources. He should have competent instruction from one source at this time or he will only become confused. Developing a good swing at this time is most important.

After the interest is there and success is on the way the parent should encourage and help the youngster. Take him along to the course or pick up his friends and take them to a local public course for a round of golf. Provide an opportunity for success and you will have done your youngster a great favor for which he will be forever thankful.

Most high schools now have competitive golf. Here at Lockport Township we have had some success in competitive golf. I believe that much of this success is due to the fact that we get freshman boys who have been playing golf 4 or 5 years before they come to high school. This year we have a boy who as a freshman has already played golf for 8 years. This is an exception to the average and this boy is capable of competing with juniors and seniors because of this experience.

Finally after your youngsters are golfers you may have to take up the game yourself in order to spend more time with them. You could do worse.

Miniature Golf Course Opens Soon

A new miniature golf course will open about May 15 at the Packy Walsh Golf Center, 8400 W. 159th st., Tinley Park.

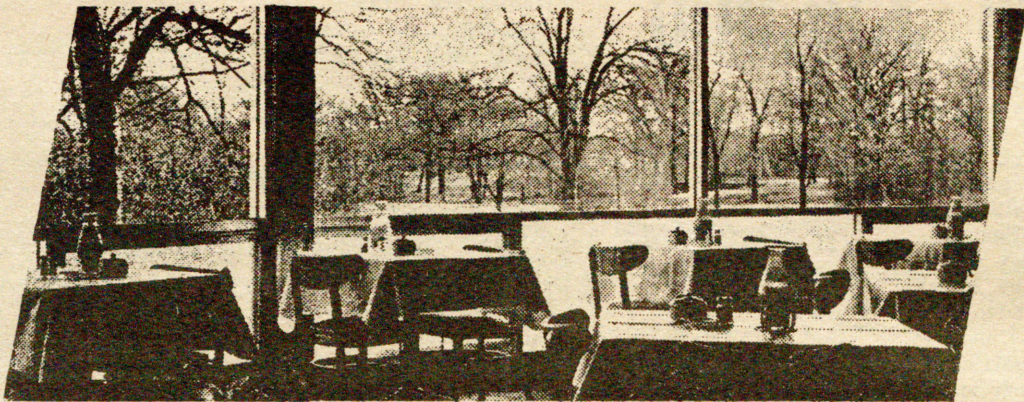

The new course will offer 18 holes of miniature golf in picturesque surroundings and will be well illuminated for after dark playing.

The driving range at the Golf Center is now open. It is the longest driving range in the midwest and with its all Kentucky Blue grass turf, the player can practice under actual playing conditions.

Packy Walsh, owner and operator, is one of the best known golf professionals in the country. He has held a class "A" membership in the P.G.A. for 30 years.

Walsh has been on the staff of a Chicago paper's golf school, supervisor of golf for the Chicago Park district, and has lectured extensively on the sport.

PGA Title Purse Is Over \$50,000

A minimum purse of \$50,000 has been established for the PGA's 46th National Championship.

Columbus Country Club in Columbus, Ohio, will be the site of the PGA Championship, scheduled July 16-19.

The size of the actual purse will be determined by the PGA Executive Committee while the National Championship is in progress. It will depend on gate receipts and a number of other factors.

Every year since 1958, when the PGA Championship was changed to a 72-hole stroke-play competition, the

purse has hit a new all-time high.

It was \$34,900 in 1958, at Llanerch Country Club, Havertown, Pa.

The Purse was \$64,800 in 1961, at Olympia Fields Country Club, Olympia Fields, Ill.

From 1959 through 1962, the PGA Championship ranked among the three richest golf tournaments in the world. It was fifth in 1963.

In 1961, only the Masters, with a purse of \$99,500, ranked ahead of the PGA Championship. In 1962, the Championship was third in

prize money; the Masters paying \$109,100 and the Thunderbird Classic \$100,000.

The five richest tournaments in 1963 were the Whitemarsh Open, with \$125,000; the Cleveland Open, with \$110,000; the Thunderbird Classic, with \$100,000; the Masters, with \$94,000, and the PGA, with \$80,900.

Of course, the prize check which will go to this year's PGA Champion will depend on the total amount in the purse. The money breakdown will be determined by the PGA Executive Committee during the Championship.

When Gary Player picked up a check for \$13,000 for winning the 1962 PGA Championship, that figure set an all-time high for the series. Jack Nicklaus tied the record by winning \$13,000 as the 1963 PGA Champion.

National Golf Day Is May 30

Saturday, May 30, will be National Golf Day, this year! On this day, America's millions of golfers can "Support the Sport" by contributing to golf charities and worthwhile golf projects, while competing against the nation's two reigning Champions.

Participants in National Golf Day Tournaments at clubs and courses across the country will compete against the score of the Champion, the winner of an 18-hole stroke-play match between Jack Nicklaus, the 1963 PGA Champion, and Julius Boros, the 1963 USGA Open Champion.

All National Golf Day tournaments and rounds may be played concurrently with other events, if desired, or independently. They may be played at ANY and ALL clubs and courses, including Par 3s.

The "Round of the Champion" between Jack Nicklaus and Julius Boros will be played MONDAY, JUNE 1. It will be contested at stroke play over 18 holes at the Columbus Country Club, Columbus, Ohio, site of the 1964 PGA Championship, to be played July 16-19.

Men, Ladies and Junior Golfers who compete against the Champion at their clubs and courses, or at any club or course, on National Golf Day, will be asked to contribute a nominal entry fee of \$1 for each 18-hole round played. More CAN be contributed - and as much more as desired.

HANDICAPS AND SCORING
In the National Golf Day

competitions at clubs and courses, Men who have official handicaps will be allowed to use their full handicaps and Ladies who have official handicaps will be allowed an additional seven strokes. The Callaway System of Handicapping may be used by those who do not have official handicaps.

Again this year those who participate in the Tournaments at Clubs and Courses will play against the Champion on the basis of scores in relation to par, NOT on a stroke-for-stroke basis. Par at the Columbus Country Club will be 70.

While Saturday, May 30, is official National Golf Day, participants at all clubs and courses may play any day and every day - and as many rounds as they wish - in National Golf Day competitions at their own clubs and courses in the period beginning Saturday, May 30, and continuing through Sunday, June 7.

This year, handsome Certificates will go to all of the National Golf Day participants who "beat the Champion", citing them for their winning performances and expressing appreciation to them for what they have done to "Support the Sport."

DISPOSITION OF PROCEEDS

All net proceeds from 1964 National Golf Day will go to golf charities and worthwhile golf projects.

The PGA will remit the net proceeds of National Golf Day to National Golf Fund

Inc., following a final recapitulation of all returns. National Golf Fund then will allocate the disbursements.

The results of the "Round of the Champion" will be conveyed to the press immediately following the Match between the two Champions on June 1. This information also will be directed to all clubs, courses and professionals by postcard, as soon as possible after June 1.

Guess Who?

Golf's Top Winner Has \$33,488

Arnold Palmer swept to the top of the official PGA money list with his victory in the Masters Tournament.

His Masters victory was his first of the year and the top prize of \$20,000 moved him more than \$3,000 ahead of Jack Nicklaus who had led up to that point.

According to official PGA tournament statistics, Palmer has collected \$33,488.75.

It was Palmer's fourth Masters crown having previously won in 1958, 1960 and 1962. It also puts him in a class by himself as the only four-time winner. Sam Snead and Jimmy Demaret each won it three times.

Each time Arnie won the Masters he has also gone on to be the official leading money winner at the end of the year. History could well repeat itself.

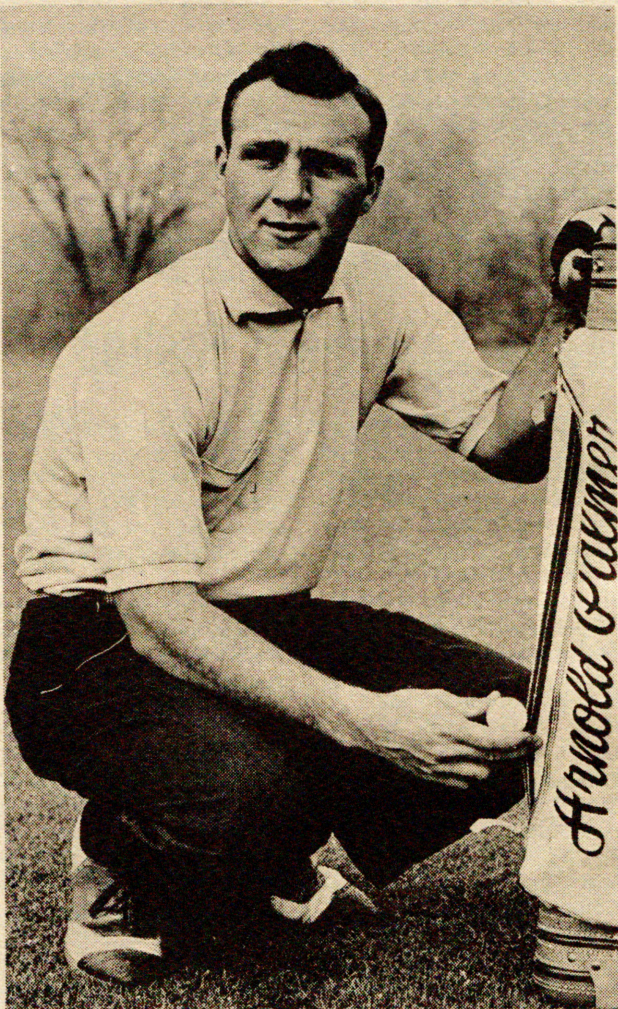

Nicklaus, who tied for second in the Masters, is also second on the money list with \$30,150 followed by Dave Marr with \$19,369.49. Mason Rudolph is fourth winning \$16,847.92.

THE GENERAL—Arnold Palmer, who takes an army with him everywhere he plays is just about the best golfer you can imagine. He had a supposedly bad year up until he won the Masters for the fourth straight time and Palmer was struggling along with only \$13,000 in prize money. His \$20,000 win at the Masters kicked off what appears to be one of best seasons. Besides being a powerful, competitive golfer, he is probably as colorful a player as there is today. The fact that his season winnings amount now to \$33,488 prove his talents even more.

Golf Accidents

A STUDY of golf accidents has shown that there were more than 18,000 disabling accidents of all types on golf courses during 1962, compared with 15,000 for 1961.

The survey also revealed that 10,000 persons were struck by golf balls and that another nine per cent of

the injuries were caused by swinging clubs.

Heat prostration felled 10 per cent and overexertion disabled seven per cent.

Golf car accidents produced another seven per cent and the growing popularity of these vehicles and recklessness of their drivers may result in a sharp upturn in golf mishaps.

HOMER NEWS

BY ELIZABETH ANDERSON

The Homer Fire Auxiliary will hold its monthly meeting at the Fire House on Cedar Rd., on Monday evening, May 4, at 8 o'clock. Mrs. Bernice Mullens, a well known artist in flower arrangement, will demonstrate her skill with flowers and vases provided by the Auxiliary members. Each member is cordially invited to bring a friend. Final plans will be made for the annual Spring Luncheon which will be held on May 7 at the Fire House. Hostesses for Monday evening are Mrs. Frank Paul, Jr., Mrs. Edna Munson and Mrs. Johanna Hostert.

FUN FAIR AT 33-C

Homer Consolidated School will hold its annual Fun Fair on Saturday, May 9, beginning at 5 o'clock and ending at 9 p.m. at the school on Cedar Rd. Supper of hot dogs, barbecues and soft drinks will be available, besides the many booths and attractions that create an

evening of fun. This will include fortunetelling, Spook House, Sugar Plum Tree and many games of various kinds. Proceeds will be used for school purposes.

Reiter's Country Casual Clothing was featured at a successful style show at Gleneagles Country Club near Palos Park on Thursday of last week. The affair was sponsored by the women of St. Alphonsus Church of Lemont. Maggie Daly, the well known Chicago newspaper columnist, was the narrator for the show, which was attended by approximately 400 women.

The Spring Luncheon sponsored annually by United Church Women of the Lockport area, will be held Friday, May 1, at 1 o'clock at the Congregational Church of Lockport. Tickets may be obtained from Mrs. Cox. The donation is \$1. A guest speaker from Joliet pro-

mises to be very worthwhile.

An impressive baptismal service was held at Homer Church last Sunday morning when Rev. Moulthrop came from Lockport to officiate at the baptizing of John William Cox, the recently adopted son of Rev. and Mrs. Stanley Cox.

Among those who received State scholarships at the recent award day at Lockport High were Bonita Clemens of Gougar Rd. and Rebecca White of 151st St., both of Homer twp.

Faye Rodgers has returned to work after her recent bout with the measles.

Betsy Hollister is recovering from scarlatina.

Mr. and Mrs. Leonard Bergseth and daughter, Kathie, of Lockport, the Bruce Anderson family and Mr. and Mrs. John Hallis were last Sunday dinner guests at the Stuart Vanderbilt home in Peotone.

A 22-caliber rifle was stolen from the Goodings Grove Hall, 143rd and Bell Rd., last weekend.

Jerold Corum of Joliet has been issued a permit to build a six room frame home in Homer twp. to cost \$17,000.

Mrs. John Hollister and Gary Bond, both of Homer, were among the soloists at the concert, "Elijah," at the Lockport Methodist Church Sunday evening. Miss Linda Hollister also sang in the chorus.

A rehearsal dinner was held at the Blue Willow Tea Room last Saturday evening for the Bergseth-Anderson bridal party and the families of the bride and groom-to-be.

Mrs. Stanley Cox attended the one-day retreat sponsored by Will County Ministers' wives on April 28 at Community Center Founda-

tion, Palos Park.

Jim Reeves Sets Mark For Mile At Sandburg

Sandburg Golfers Take Rich East, Riverside

BY JOHN HELQUIST
Last week the golfers of Carl Sandburg swept two matches from Rich East and Riverside-Brookfield.
In the Rich East match the Eagles recorded their lowest total in winning 157 to 170. Low medalist for Sandburg was Dave McIntosh with a 37 just one over par for the Oak Hills front nine. Dave was even par for the first eight holes and his putt on the nine rimmed the cup and stayed there giving him a bogey five. Dick Coghill was next with a 38 one stroke in back of McIntosh. Joe Bozic shot a 40 even with a triple bogey seven on the par four eighth. Jeff Ferguson rounded out the foursome with a 42.
In the Riverside-Brookfield match next day Sandburg was once again the

victor by a 166 to 171 margin. Low medalist for the Eagles was Joe Bozic with a 39, three over par. Bozic was followed by Jeff Ferguson with a 41. Curt Yelnick was one shot behind Ferguson with a 42. Dick Coghill with a 44 was also among the low four.
The victory over Riverside-Brookfield left the Eagle golf team with a 6 and 2 record for the season. In these eight matches Dick Coghill has been low medalist four times, and Joe Bozic and Dave McIntosh twice.
Tomorrow (May 1) the team is leaving for a tournament to be held in Quincy, Ill. This should prove to be a test of skills for the Sandburg team for it features some of the best golf teams in the state.

Knights Finish Seventh In Will County Track Contest

Lincoln-Way's thinclads finished seventh in a 12-team Will County meet at Joliet township high school last Saturday with a total of 23 points.
The Knights' Fred Lutger placed second in the pole vault with a clearance 11 feet 6 inches and Dick Mangum was sixth by clearing the bar at 10-6.
Jeff Urban was third in the shotput with a toss of 44 feet 1 1/2 inches and also picked up fourth place in the discus with a throw of 130 feet, 8 1/2 inches.

Bob Bowser of Lincoln-Way was fifth in the broad jump with a leap of 19 feet 4 1/2 inches.
Also scoring for Lincoln-Way was its 880-yard relay team with a sixth place with the time of 1:38.4.
Joliet township won the meet with 149 1/2 points. Plainfield was second with 88 and Lockport township third with 52; Crete-Monee, 47; Lockport West, 44; Peotone, 26; Lincoln-Way 23; Braidwood, 16; Joliet Catholic, 7 1/2; Beecher, 6 and Wilmington, 5.

Eagle Track Crew Split SWS Contests

BY TIM SEDGWICK
In track action last week at Carl Sandburg Jim Reeves beat his own record in the mile running - 4:38 while Doran Harding tied the half mile record of 2:04 set in 1959 by Reed Williams.
In the record breaking week the Sandburg Eagles beat Reavis 64-54 and lost to Evergreen Park 65-43. They also traveled Saturday to the West Proviso Invitational where they took seventh place out of the eight teams competing.
The frosh-soph matched the varsity by beating Reavis 84-34, and losing to Evergreen Park 66-52. They also took seventh place in the Proviso invitational.
On the varsity level at the invitational Oak Park won followed by West Proviso, Hinsdale, Homewood, Glenbard East, Rich East, Carl Sandburg and Rich Central.

took nine of the 14 first places. Winners were Harding in the half, McNeil in the quarter, Sharpe in the low hurdles, Tom DiGenova in the discus, Reeves in the mile, Blanchard in the 220, Guy Cherskov in the pole vault, and both the 880 and mile relay teams.
In the two meets on the frosh-level winners for the Eagles were Chuck Meulier in both the high and low hurdles, Biddle in the half and mile, Bell in the quarter and 100, Chris Hill in the 220, McGhee in the pole vault, Bob Fontaine in the discus, the Gilbertson and Shalcum sharing honors in the shot put.
The next meet for the Eagles is the Elmwood Park Relays this Saturday where they will compete against ten other schools.

Arbury Baseball Loop Elects Official Staff

The Arbury Hills Boys Baseball League held an election meeting at the school Thursday, April 16. Officers chosen are Joseph Mangan, president; Frank Riesbeck, vice president; Phyllis Prather, secretary; and Dick Prather, treasurer.
Also elected were directors and the player agent, Herbert Nuemayer, Bob Lindeman, Bill Roach, Jim Muiccio, and Gene Pasky were elected directors; Joseph Areuri was named player agent.
The next meeting will be at the school on Tuesday May 12, at 8:00 p.m. An effort is being made to establish a women's auxiliary, which would have its own meetings and officers. The women would be responsible for the running of the refreshment stand during the games.

a call for men volunteers to assist in setting up the refreshment stand at the baseball field. The date set aside for this purpose is Saturday May 2, at 10 a.m. The baseball field is at the north end of Beechnut Drive, the same place at which the games were held last year.
The baseball season will officially open with a parade thru Arbury Hills on Memorial Day at 12 noon, followed by a double header with both age groups of boys at 1 o'clock.

"Oklahoma!" Smash Hit With Sandburg Audiences

BY MARVIN MILLER
Attending a high school musical always involves a certain risk of disappointment, especially when the cast is performing something as well-known and well-loved as Rodger and Hammerstein's "Oklahoma!" However, the nearly 3,000 people who saw the all-school production at Carl Sandburg last week were not disappointed.
The young ladies did much to make the first musical to be seen on Sandburg's stage a success. They are Donna McNeil (Laurey) and Beth Hanson (Ado Annie). Miss McNeil carried her part well, with just the right blend of sweetness and coquettishness. Her young singing voice is mature beyond her years and was delightful, whether heard solo or in a duet.

Miss Hanson portrayed a properly flirtatious young lady who "can't say no" to the men in the story. Her indecision gave the audience many a chuckle.
Among the male leads, Ken Grigas made the character of Jud Fry come alive as the show unfolded. As portrayed by Grigas, Fry was a touchy, surly, swaggering farmhand, eaten with the need for recognition and affection.
Pat Mojdén gave the audience an Aunt Eller who was a compound of brass and a mother's comforting arms. With "the boys" she was iron-willed and raucous, but with Laurey she was the wise old mother hen guiding her chick into the arms and heart of Curley.
Michelle Schounnot, who giggled her way through the part of Gertie Cummings, could be counted upon to add spice to any scene in which she appeared.

Eight new records were set. Some special performances included Sandeen of Hinsdale running a 14.6 in the 120 yard high hurdles, only .4 seconds off the national record. In the half mile Grant of Proviso West ran a 1:54.8, the best time ever done outdoors in the state. Jim Frye of Homewood jumped 6 feet 4 inches in the high jump, while Letterer of Proviso ran a 4:23.6 in the mile. The performances of Freye and Letterer are the best, so far this year, in the state.
Those winning points for the Eagles were Ernie Sharpe who placed second in the low hurdles; the 880 yard relay team of Sharpe, Leonard Beesley, Gary Kasper and Bob Blanchard who took third; and the mile relay team of Sharpe, Beesley, Harding and McNeil who took a fourth. Harding also tied the schools half mile record mark of 2:04 at the relays but was unable to place.
On the frosh-soph level competition was equally as stiff with West Proviso winning followed by Glenbard East, Hinsdale, Oak Park, Rich Central, Homewood, Carl Sandburg and Rich East. Nine new records were set. The outstanding performance was when Katz of Proviso West ran a 4:33.7 mile. Last year at the age of 14 Katz ran a 4:30 to set the national record.

Eagle Nine Splits Pair

During the week of April 22, the Eagle varsity baseball team downed Bremen 10-0, but lost a pivotal contest to Rich East 4-3. In the Bremen game, the Eagles won behind the shutout pitching of Chuck Sabo.
The Eagles are now in second place with a 3-1 record, behind the Rich Rockets who are 4-0. Previously the Eagles have defeated Homewood-Flossmoor 12-3 and Lincoln-Way, 15-3. The Eagles are defending champions of the SWS. Their overall season mark is 5-2.
During the same week, the sophomores won both their games, beating Bremen 7-1, and downing Rich the next day 8-4. In the Bremen game, Don Urbanciz pitched a one-hitter, while striking out 15 of 21 Bremen batters. Leonard Gorney won the Rich game. Both boys are freshmen. The frosh-soph conference record is 2-2, while their overall mark is 3-3.
The freshman team currently posts a 1-1 record, beating H-F, but losing to Bremen.

Rich Taps LW Nine

Lincoln-Way baseball team absorbed a 13 to 3 walloping from Rich East in a Southwest Suburban conference game on the losers field last Friday.
This victory enabled Rich to keep its victory string unbroken. Rich East has won five conference games in a row.
The Knights have lost that many plus one outside the league.

Arrest Orland Man In Alleged Extortion Case

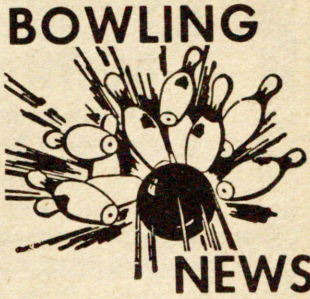

David Boharski, 20, of 7940 W. 139th st., Orland township, a former member of the Marine Corps who allegedly received a bad discharge April 10, is being held on charges of threatening bodily harm to three Orland girls in an attempt to extort money from their parents.
One of the fathers, Dr. William T. Boozer, veterinarian, left a dummy package at 80th ave. and 135th st. last week and Boharski was seized by county police when he picked it up, according to Lt. Thomas Brown.
Dr. Boozer had received a note demanding payment of \$5,000 if he would protect his 12 year old daughter from harm.

A similar note had been left at the Alfred W. Karre home, also in Orland township, threatening the two young daughters, 13 and 11 years old. Karre left a dummy package at the location directed in the note but no one came to pick it up.
According to the report of county police Boharski had a note in his clothing when he was arrested that threatened to blow up the Jolly Jay drive-in restaurant at 12658 S. Harlem, Palos Heights, unless \$5,000 was paid. Lt. Brown said that apparently Boharski hadn't managed to get the Jolly Jay note delivered.
His bonds were set at \$5,000.

Hold Funeral Services For Peter Schmidt, 85

Peter Schmidt, 85, died Thursday, April 23 at his son's home in Chicago, following a lingering illness.
He had lived in Mokena many years. Mr. Schmidt had operated several restaurants in Chicago and Hammond. He retired when he moved to Mokena.
He was a member of St. Mary's church in Mokena. Survived by one son, Oscar of Chicago; daughter-in-law, Mrs. Lillian Schmidt and one grandson.
He was preceded in death

by his wife, Magdalene.
Funeral services were held in St. Mary's church with Father Cecil Koop officiating. Burial was in St. Mary's cemetery.
The Mokena VFW auxiliary, of which Mrs. Lillian Schmidt is a member, served lunch at the hall to 28 people after the service.
Those serving were Mrs. Harold Seal, Mrs. Alma Peterson and Mrs. Casimir Wloch. Assisting them were Mrs. Frank Pretzel and daughter Louise.

Kindergarten Group Elects New Officers

MRS. EDWARD HOVI
Telephone: 479-5740
The Arbury Hills Kindergarten Organization held their annual election at the school April 21.

Elected were: Carol Burdett, president; Marge Hecht, vice-president; Edna Peterson, corresponding secretary; Mary Farnham, recording secretary; and Shirley Boothe, treasurer. Also elected were three members of the board of directors; Gerry O'Neill, membership committee and legislative and revision committee; Helen Stensrud, equipment committee; and LeAnn Blecha, fund raising committee.

Shirley Boothe filled in as hostess for the meeting, and served refreshments.

There are two remaining openings for kindergarten students for the 1964-65 school year beginning in September. The class will be again held in the school, but with private not public financing.

Gets Award For Work In Insurance

Eltson Oranger, special representative of the Business Men's Assurance Company, has been named the health insurance sales leader in the BMA Springfield branch sales force. Mr. Oranger is the Orland Park village clerk.

The announcement was made by C. W. Cooper, Springfield branch manager, at a special award meeting last week at Springfield.

Oranger led the entire Springfield branch sales force in total health insurance production in 1963, as well as meeting several high standards of client service and financial planning.

A BMA representative since May, 1962, Oranger has been a director of both the BMA Life and Grant clubs for two years and is a director of the 1964 BMA Health Insurance club. These are company honor organizations recognizing outstanding performance in life and health insurance financial planning.

entrance a child must reside within the school district and have reached the age of five by Dec. 1, 1964.

There is a \$10 registration fee which can be applied on the first month's tuition.

When the two remaining openings are filled, there will be names accepted for a waiting list. Those on the waiting list will not be required to post the registration fee until the child is entered on the regular attendance rolls.

Anyone registering her child for kindergarten is asked to contact Mrs. Gerry O'Neill at 479-5155 or in person at her home at 19327 South Oak street.

The kindergarten organization is holding open house at the school tonight, Thursday, April 30 from 7 until 8:30 o'clock. At that time the parents of the prospective kindergarten children for next year, as well as those interested parents with upcoming kindergartners are invited to attend and view the facilities available for class and also the kindergarten teacher, Mrs. Richert.

Mrs. Richert also will hold conferences with the parents of this year's kindergarten children following the open house.

The kindergarten class was treated to a field trip last Thursday morning, April 23. Accompanied by Mrs. Richert, Mrs. Marge Hecht and Mrs. Edna Peterson, and the children rode a Rock Island train to Chicago where they were met at the LaSalle station by a guide who showed them thru the various facilities there.

They were then treated to soda pop and then made the return journey home. It was a trip which for some was a brand new adventure, and for others a renewal of a pleasant experience.

The Summit Hill Boy Scout Troop Number 10 will hold their monthly newspaper drive Saturday morning, May 2. Anyone who has newspaper, magazines, cardboard or other easily transportable paper goods to contribute, is asked to have it

bundled in some manner and set out either at the garage door or at the front door, not at the curb, before nine o'clock in the morning.

If you do not have rope to bundle the papers, they can be contained easily in used shopping bags to prevent them from littering the neighborhood while awaiting collection. The proceeds from these monthly collections are used to equip the scout troop.

Donis and Glenn Cullum of 9525 West Elm avenue became the parents of their second child on Saturday, April 18 at Silver Cross hospital. James Scott weighed 9 lbs. 13 ozs. They also have a 2 1/2 year old daughter, Karen.

The paternal grandparents Mr. and Mrs. Glenn Cullum of Marengo, Iowa journeyed here to see their new grandchild.

Edward Hovi celebrated his eighth birthday with a children's party on Saturday, April 18. It was to have been a picnic party, but early morning rain necessitated a rapid change in plans. The children went on a scavenger hunt throughout Arbury Hills instead. Only one pair out of five were able to collect the necessary twelve silly items in the required time, and were presented with a token prize.

A family party followed this on Saturday evening with a special treat of a trip to Chicago to see, "It's a Mad, Mad, Mad, Mad World" on Sunday evening.

The Arbury Hills Civic Association will hold a special open board of directors meeting at the school on Tuesday, May 5 at 8:00 p.m.

The public is invited to attend this meeting and view first hand the workings of the association.

The regular monthly meeting, usually held on the

first Tuesday of the month will be held instead on Tuesday, May 19, at which time Mr. Tate has again been asked to speak on the workings of incorporation.

The First Nighters will hold their regular monthly meeting at the home of Mrs. Dorothy Dickerson of 9528 West Hickory street, Thursday, May 7, at 8:00 p.m.

140 Sandburg Students In Summer Job Market

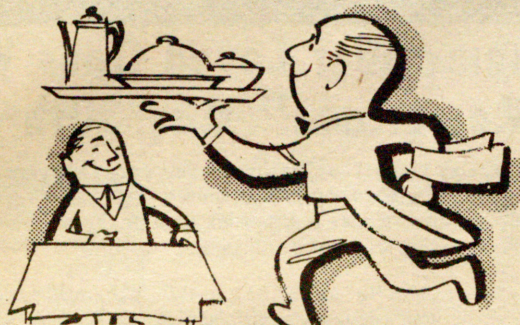

With the approach of summer and vacation, about 140 students at Carl Sandburg are looking for jobs. But, this year, they will have help with their search, from the job placement program set up by the guidance department. Miss Carolyn Gammell, director of the program, said that nearly 140 students looking for either full - or part-time jobs, have registered in the program. About half the number are girls.

But the program is handicapped at present by the lack of job openings. Miss Gammell asked that anyone needing any part-time help—for yard work, removing storm windows, or washing walls—call her at GI 8-1520 for the names of students seeking work.

Other students, she said, are looking for full-time jobs this summer as stock boys, typists, etc. "A number of the girls registered in the program," she said, "can type or take shorthand."

This is the first full year the program has been in operation at Sandburg. During the school year, about 30 students were placed in jobs. "But the unfortunate part," Miss Gammell said, "is that about 75 students were looking for work."

The program is one of the efforts made by the guidance department to combat school dropouts. James Adcock, director of guidance, said that it represents "one of the most positive steps we can take to help keep some of our students in class."

Every month

more and more people are moving up to total electric living

The reason? Simple. Electricity is so easy to live with.

With flameless electric heat, for example, each room can have its own thermostat. You can enjoy 80° in the bath, 72° in the living room and 65° in the bedroom. There's no burning fuel, nothing

to make dirt . . . walls and furniture stay clean far longer. Come summer, electric air conditioning wrings heat and humidity from the air along with most of the annoying pollens.

Electric cooking takes the flame out of the kitchen. People stay cooler, and pans, walls and curtains stay cleaner. And, because

electric heat is controlled heat, it takes the guesswork out of cooking. Foods cooked in an electric oven have a done-to-a-turn flavor that only radiant heat and insulation on all six sides can provide.

Electrically dried clothes come out sweet and fresh because there's no burning fuel to cause an odor. With no pilot light, power ignition or extra cost for tumbler drive, the average family's drying bill comes to only \$1.25 a month.* And an electric dryer costs \$20 to \$40 less to buy.

See how easy it can be to move up to total electric living at your house. Call us for details, today.

*Based on the actual use of a cross section of Northern Illinois families.

Public Service Company
©Commonwealth Edison Company

You stay cool, calm and collected with flameless electricity. Precise, automatically controlled cooking, washing and drying—are at your fingertips.

This little lady—and every member of the family—will delight in the comfort that's hers with room-by-room electric heat control.

Orland Joins Fight To Curb Pig Farm Odors

The Orland Park village council has joined in the move to clear the atmosphere in the area. Residents of Silver Lake Dells, in the vicinity of 82nd ave. and 151st street, have forwarded a resolution to the board of county commissioners declaring that the odors resulting from use of a pig farm waste as fertilizer is "derogatory to health, safety, comfort and convenience."

The resolution asks that the county enforce the provisions of its anti-air pollution ordinance.

A couple of weeks ago John Coghill, owner of Silver Lake Country club, accompanied by his attorney, asked the village board to lend a hand in the fight to curb what some residents of the area describe as a nuisance. It was suggested that passage of an anti-air pollution ordinance by the village would help.

Mayor W. R. Schussler, Jr., told the village board Monday night that he believed a village anti-air pollution measure would be of value.

The mayor recalled having testified on previous occasions when efforts were made to curb the odors of fertilizing methods on the grounds that they created a nuisance. At that time the courts held such odors were farm odors and could be expected in the country. It is possible, the mayor said, that the situation could be attacked thru anti-air pollution measures. Whether the odors constitute a threat to health, however, is something that will require proof, it was pointed out.

A couple of residents of Fairways Estates present at the council meeting said they were sending in a petition to the county commissioners protesting the fertilizing. There are 400 signatures, they said.

Village Attorney Raymond Pfeiffer was instructed by the trustees to write the county commissioners and the state's attorney's office asking that something be done to curb the malodorous situation. He also is to draft an anti-air pollution ordinance. To this end he was advised to consult federal authorities who have an anti-air pollution program going.

Yunker Will Show Line Of Wheel Horses

The second annual Wheel Horse tractor field demonstration will be held at Yunker Implement Co., 159th and Wolf rd., Orland Park, Saturday, May 9, starting at 1 p.m.

More than twenty attaching tools will be demonstrated with the use of a Wheel Horse tractor.

There are eight tractor models to choose from. Demonstrations will be given on plowing, discing, mowing, cultivating and roto-tilling.

The Allis-Chalmers B-10 and the hydromatic driven Colt compact tractor will also be demonstrated.

Free pony rides are available for the youngsters from 1 to 3 p.m. Refreshments will be served - so, come one - come all.

Gleaners Will Hold Hobby Show May 15

VIRGINIA SASS
Telephone 485-6424

The Maple Street Arbor of Gleaners will meet at the Homer school May 15 at 8 p.m. In charge of the affair will be a committee of Mr. and Mrs. Eugene Anderson, Mr. and Mrs. Bruce Anderson, Mr. and Mrs. Angelo DePra and Mr. and Mrs. Alvin Welter. There will be a Hobby and Handicraft show at this meeting. It is open to any person 18 years of age or under in whose family there is at least one policy holder in the Maple Street Arbor. Entries are to be made by May 1 with Arlene Welter -- 838-4359 or Virginia Sass - 485-6424.

Miss Joanne Hallick of the Dairy Council of the Tri-Cities, will present the program at the Mother and Daughter banquet in the Marley church on May 7.

Preceding the program at 6 o'clock, a "Meal O'Plenty" buffet dinner will be served with Mrs. Loren Sass and Mrs. Charles Sievert as co-chairmen.

Miss Barbara Crabb and Miss Lynn Buck spent the week end at Alton, Ill. where they attended the Illinois Baptist Youth Congress.

Mr. and Mrs. Russell Thomason and family spent Sunday in Peoria where they visited relatives.

Mrs. Curtis Buck entertained a group from Hinsdale at a luncheon in her home on Tuesday.

Mrs. Everett Doede underwent major surgery in the Silver Cross hospital on April 21.

Begin Economy Program In Postoffice: May 4

The limited adjustments in some postal services ordered in Washington March 10 by Postmaster General John A. Gronouski to save \$12.7 million will begin to take effect in New Lenox and other cities on May 4, Postmaster Lester Brown said today.

Service changes planned locally include the following, postmaster Brown said. 1. Parcel post deliveries: On Wednesday of each week parcel post deliveries within New Lenox village limits will not be made. Complete delivery will be made on Thursday of accumulated parcels.

Parcel post will continue to be delivered on mounted and rural routes as always. 2. Window service will be curtailed by closing the post office at Wednesday noon; incoming mails will be received and distributed in lock boxes as well as dispatch of outbound mails as usual. 3. Window service on

Saturday's will be curtailed at 12 noon. In addition, the local post office will not write money orders on Saturday's. Rural carrier will not accept money order applications on Saturday's from rural patrons, however, stamps will be sold and parcels mailed during window service hours, in addition, no insured claims will be adjusted on Saturdays.

Postmaster Brown emphasized that no essential major services are affected under the orders. There will be no change in home delivery or special delivery. Regular business mail deliveries will continue as usual. Letters and other first class mail will be handled with the same priority as ever.

The economy step, postmaster Brown explained, is in line with President Johnson's programs under which the recent federal income tax cut was provided.

Orland Park Offers Free Summer School

The Orland grade schools announce a summer school program which will include four different classes - (a) reading, (b) mathematics, (c) natural science, which will include the study of plant and animal life common to this area, and (d) band - group lessons (beginner's band and advanced band) as well as some marching.

It is planned that this program will be free of any tuition charge due to the fact that state aid may be obtained for these classes if a sufficient number of students are enrolled. There will be a materials fee of \$2 per course. Bus transportation will not be available. Getting pupils to and from classes will be the responsibility of each parent.

All courses will be held in the morning, the first session from 8:30 to 10:15 and the second session from 10:15 to 12 noon. The program will start on Monday, June 22 and run thru Friday, Aug. 7.

Supt. Norbert Jerling stated that summer school in previous years has been only for those students requiring make-up or additional help. This year the courses offered will benefit both these students and children wishing to broaden and extend their knowledge in courses of special interest to them. Enrollment forms may be obtained from the School.

CSHS Band, Choir To Give Concert Friday

A combined program by the concert band and concert choir of Carl Sandburg high school will be given at 8 o'clock tomorrow night (May 1) at the school.

Milton Potter, director of the band, has prepared a varied program. Selections include Sousa's "Washington Post March", "Death and Transfiguration" by Strauss, "Concertina", which features the percussion section, and Persichetti's "Symphony for Band".

Two seniors will be soloists with the band. Ruth Slocum, flutist, will play "Canzonetta" by Tschai-kowsky and Harry Clayton will play a cornet solo, "Skyline Silhouettes" by Laas.

The choir, under the direction of V. Eugene Biggs, will present five selections. Included are "Psalm 150", "Armies in the Fire" and South Pacific selections. Two vocal groups, the Boys' Chorus and Tone Poets, will be featured.

Ella Loebe, mezzo soprano, will be soloist with the choir, singing "O Del Mio Amato Ben" by Dounady. Barbara Johnson is piano accompanist for the choral

numbers. The public is cordially invited. Tickets are \$1 for adults and 50 cents for students.

Partnerless Parents Will Meet Saturday

Parents Without Partners will hold its regular adult meeting Saturday, May 2 at 8 p.m. at the Louisa Wolf Recreation Center, 15 S. Richards st., Joliet.

Guest speaker for the evening will be Mrs. Sydney Scoville, who is a case worker for the Family Service Agency and president of the Will County Council of Community Service Agencies. Her topic for the evening will be "Problems of the One-Parent Child" concentrating on pre-school and grade school children.

Refreshments and an adult social will follow the meeting. Any interested PWP (unmarried, separated, divorced or widowed) are cordially invited to attend.

For information in regard to "Parents Without Partners" call 479-5183 after 6 p.m.
